Camera Shy

# Will Stanton 1991-2008

Gangly  
wearing an  
over-worn green sweatshirt.  
That permanent smirk  
present on his face  
as we ducked between flailing limbs  
and screaming peers.  
Lights turned White  
As we approached closer.  
Uniformed women asked for our tickets  
preventing our journey to the foot of the stage.

Laughing,  
We turned away.  
He pulled my sleeve;  
I trailed behind  
fading into faces.

Music swelled,  
Friends in full swing  
up and down the isles.  
Confused by this new place  
I pulled him down by his curly hair;  
"What song?", I screamed  
But it was barely heard.  
His quizzical look and inflection  
I can recall exactly  
"Crab Eyes!"  
His voice waivered  
from such an effort to yell.  
Straight faced  
His strange head bobbing took place  
as he urged me to dance  
with these unfamiliar fans

We forgot about home  
And raced to the Green Line.  
Too slow putting change in the turn styles.  
The Blue Line was our only hope.  
We traveled down the rabbit hole  
to the Wonderland stop.

Shivering in the February air  
"No jacket, Will?"  
He just snickered and shrugged  
Lately I've found myself wanting to relive  
The cold night,  
The lack of money in our pockets, and  
Being stranded in a strange place  
Without a ride home  
But with my friend.

## In Loving Memory

# Nick Castino 1990-2008

"If one good thing can  
come out of the death of a  
friend, it would have to be  
a lesson. Early death  
particularly makes you  
think about life and the way  
you choose to live it. I will  
forever treasure the  
memories I share with  
Will Stanton."  
Megan Condon

## TEAM TOUGH 2008

## BEVERLY TOUGH - HOO-RAH

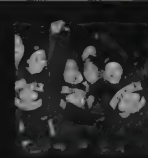

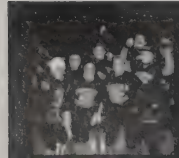

A large crowd endured a bitter cold night at Salem's Bertram Field to cheer on the Beverly Panther Girls Powder Puff Team.

Heading into halftime, the girls from BHS were down, but not out. Making their way to the locker room after the first half, the Panthers were down 16-8 to the Witches of Salem. Helen Amore was the lone scorer for the Panthers in the first half.

Running onto the field to start the second half, the girls were energized and ready for a comeback. Janelle Louis ran back the opening kickoff of the second half for a touchdown.

The game stayed even until Kellie Shea hooked up with Jess Shaw for a touchdown, to take the lead. The tough Panther defense stayed strong and stopped all of the Witches' offensive efforts. The Witches fell short of a comeback, and the Lady Panthers prevailed 22-16.

Class 2009

A black and white photograph of a cheerleading squad in a pyramid formation on a field at night. The squad consists of eight members. At the top is a single cheerleader with blonde hair, wearing a dark uniform with a white V-neck and a large number '8' on the chest. Below her are two cheerleaders, one on the left and one on the right, both wearing white long-sleeved shirts with 'PANTHERS' on the chest and dark skirts. In the middle row, there are two cheerleaders, one on the left and one on the right, both wearing white long-sleeved shirts with 'PANTHERS' on the chest and dark skirts. At the bottom, there are three cheerleaders, one on the left, one in the middle, and one on the right, all wearing white long-sleeved shirts with 'PANTHERS' on the chest and dark skirts. The background shows a dark field with some lights and a building in the distance.

## Around Beverly High School

1. Freshman Class officers sold hot chocolate as one of their many fundraisers.

2. The Freshman Field Hockey Team spends time bonding.

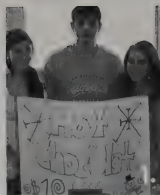

3. Junior Ryan Flannery maintains exceptional grades and is also a member of the football and track teams.

4. Sophomore Claire Leatherstich coaches soccer to special needs children.

5. Junior Olivia Wilson has been involved with Best Buddies since her freshman year.

6. Joe Wioncek spends his time participating in sports year-round, while having time to volunteer at Beverly Hospital.

7. Vocal Ensemble performs at a concert.

# underclassmen...

What's the best feature at Beverly High School?

"We have a very expressive music system. From the vocal groups, to bands, to the musical--there's something for everyone."

"BHS sports are the best; there is so much teamwork involved. By the end of the season, team members are more like family."

"I like the football team and all the attention we get during the season!"

"Teachers are really professional and helpful. They know what they're talking about."

Juniors Kerry Richardson and Hannah Moffie hang out at West Beach.

Sophomore girls go to New Hampshire to spend time on the river for a change from the ocean.

Freshman guys enjoy a summer night at Point Sebago.

## It All Adds Up

Beverly High School had a total of 938 underclass students this year. That leaves room for a total of 22,512 undocumented absences for the year, also equals 270,144 tardies.

"The coolest thing about BHS is that anyone can do any club or sport without worrying that it's not their 'thing.' There are kids that go from track to musical to Dance Team, and it's just what they do. It's a really great environment to grow up in."

Gabe Lozada 20

"When we have lockdowns, Mrs. Fecteau rations trail mix . . .

L. Warren 2011

"Everyday I get an opportunity to meet new and interesting people here at BHS and thats what makes the school so great"

Jky Cowens. 2012

The spirit at BHS is unbelievable, any event the pride is exploding !

## A SUCCESSFUL TEAM BEATS WITH ONE HEART

### Volleyball

One of the newest additions to BHS fall athletics is the Girls Volleyball Team, which replaced the Girls Tennis Team now playing in the spring!

### Football Cheer

The Football Cheerleaders had a fun year cheering on their Panthers and competing all over the North Shore!

### Girls Soccer

Finishing off with a strong season, these girls are leaders who can show BHS that family is not just in your blood.

### Boys Soccer

The Boys Soccer Team is a tight-knit group of young men, who work hard as a team for their wins.

# UNTOUCHABLE

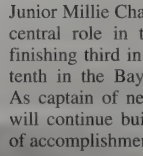

102-0 ' Girls Cross Country ' 7-0

X-C

The Girls Cross Country Team captured the NEC North title. They kicked off the season with a tough win against Swampscott. The team won their 100th straight dual-meet among the three seasons in a hard-fought victory against Peabody in October. The girls track program, including winter and spring track, in addition to cross country, has gone undefeated for 102 straight dual-meets.

Senior captain Kelly O'Connor led the team to victory throughout the season, finishing second in the NEC meet, fourth in the Bay State Invitational, and establishing a new course record for the home course as the only girl completing the course in under nineteen minutes.

Junior Millie Chapman also played a central role in the team's success, finishing third in the NEC meet and tenth in the Bay State Invitational. As captain of next year's team, she will continue building upon her list of accomplishments.

Junior Monica Adler proved indispensable for the Panthers, achieving a personal best time on the Beverly home course in her first home meet of the season. Along with Chapman, she will inspire the team next year as captain.

Senior captains Kelly O'Connor and Katie von Zweck, shown left with Coach Jellerson, have led their team to a very successful season to cap off their high school careers in cross country.

Allie Donnelly was a strong defender on the field and helped lead the defense with 8 saves.

Captain Courtney Robinson '09, taking a drive during a game, had an outstanding season and was an NEC All-Star.

Corrine Woods was one of the leading scorers and was a big asset to the team in her first year playing.

Haley Govoni, the number one goal scorer, was named player of the year by the Salem News.

## NEC ALL-STARS

The Lady Panthers filled the banner space in the Field House with the 2009 date, ending the season 15-2-2.

They had a remarkable season, earning the title of NEC Champs. Their hard work and consistent effort paid off when the team made it to the tournament and won their first game.

The Lady Panthers scored 48 goals, having only 11 goals scored against them the entire season. BHS had four All-Stars represented in the annual All-Star game, which was far more than any other team in the NEC.

Led by Coach Tricia Brennan, named Coach of the Year, the girls worked well together to ensure each victory, finally falling victim in the Westford Academy upset.

## 10 - 4 - 1 CHAMPS

The BHS Panther Golf Squad capped off an exciting season with a win over the Magicians of Marblehead. Derek Paglia '09, Dan Crowley '10, Andrew Carlson '09, and Jack Liacos '10 all recorded victories in their final regular season match at Beverly Golf and Tennis. Juniors Austin Butler and Brett Larson also played superb throughout the season.

By taking this victory, the team secured the NEC Large title, shared with the Witches from Salem High, and were on their way to the MIAA State Tournament. Ryan Lally '10 and Nick Pinciario '11, the Panthers two top golfers this season, competed in the NEC Open. Lally ended the day with a tie for 5th and Pinciario tied for 12th.

The Panthers headed to Far Corners Golf Club to compete in the State Tournament match. They fell short in the qualifying round, but look to return again next year and advance to the final round.

After finishing the season 12-4-1, the team looks to be strong for the fall of 2009, with ten varsity golfers returning and ready to win.

## With PRIDE

The Beverly Panthers finished with a solid 7 - 4 record, just falling short of a NEC Small championship.

Captain Rashad Sims had a great season this year, rushing for over 1100 yards. He ran for a total of 14 touchdowns and had 4 touchdown receptions. His best game was against Peabody, when he rushed for 229 yards, and had a total of 3 touchdowns, 2 rushing and 1 receiving.

Another player that had an exceptional year was quarterback Mark Hannable. He had two close call wins that left the crowd on the edge of their seats. He finished the season throwing for almost 1200 yards and 10 touchdowns.

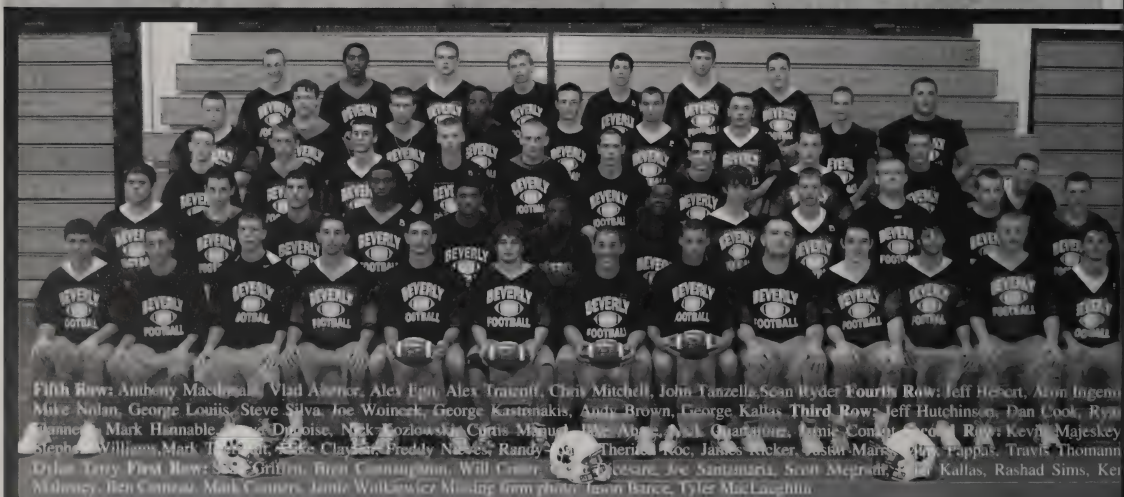

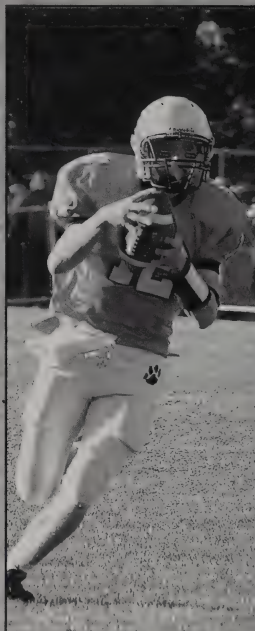

Hannable had a great receiving core including Steve DuBois, Curtis Manuel, Justin Marrs, and Dylan Terry.

The defense was led by Captains Peter Kallas and Joe Santamaria, as well as Theritch Roc, Ben Comeau, and Nick Kozlowski.

The Panthers have a strong junior class coming back for their senior year, and the future is looking bright.

# Girls Indoor Track

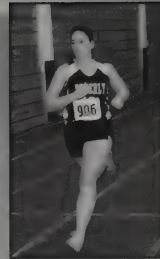

The Girls Indoor Track Team swept away all NEC competition, winning their 109th consecutive dual meet. The team's toughest victory came January 12th against Peabody, also undefeated at the time, where the Panthers won 50-36.

The team came in second at the NEC meet, with notable performances by Janelle Louis, Helen Amore, Katie Von Zweck, Millie Chapman, Katie Tibbets, Brenna Bailey, Monica Adler, Laura Handly, Wendy Marciano and Jenny Lanza.

Several girls qualified to compete in Class B's, including Adler and Chapman, who set new school records in the two mile and mile, respectively, and continued on to states.

In addition, Seniors Katie Von Zweck and Janelle Louis and Junior Katie Tibbets competed in the Pentathlon.

**Above Left:** Millie Chapman won the two mile with a time 11:03 at the Class B meet, setting a new school record. **Above Right:** Helen Amore dominated in the 300 meter this season.

**Below Left:** Laura Handly and Liz Olson awaiting the start the two mile. **Below Right:** Brenna Bailey was a key distance runner for the Panthers this season.

## Seniors

Left: Senior Captain Rebecca Powers.  
Right: Senior Kelsie McDonald.

This year the Beverly Girls Hockey Team had there first ever berth to the tournament. Although losing in the first round to Masco 4-1 looking back the season was extremely succesful. They finished with a record of 9-8-2.

This was the best record yet and the future looks extremely hopeful for this young team. Beverly students Corey Konaxis and Clare Leathersich led the team in scoring with fourteen points each. Beverly girls Corinne Woods and Liz Doherty also made tremendous contributions to the season with 17 points combined. Goalie Brianna

Jackson had yet another phenomenal season, having 530 saves and keeping a 2.265 GAA.

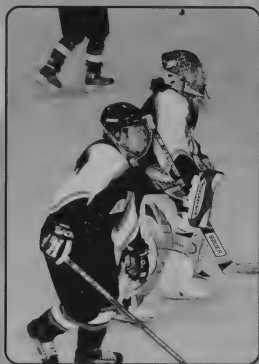

Beverly will say goodbye to two seniors this year: Danvers senior and two-year captain Rebecca Powers, as well as Senior Kelsie McDonald.

# Boys Ice Hockey

This winter the Boys Panther Ice Hockey Team finished off with 7-13 record. Although a playoff berth was not grabbed, the Panthers played tough schedule, with strong wins over Division 1 Essex Junction, Everett, and Medford, as well as wins over local Gloucester and Danvers.

Beverly's first line of juniors Jack Liacos, Ty Albano, and Bryan Spencer was well known as one of the top lines in the NEC, finishing with a combined 40 goals and 83 points.

Sophomore Mitch Hamor and Senior Ryan Karp were strong contributors to the scoring, as well.

# Boys Basketball

The Panthers made yet another appearance in the State Tournament. They had outstanding play from Junior Curtis Manuel, who produced 15 points per game.

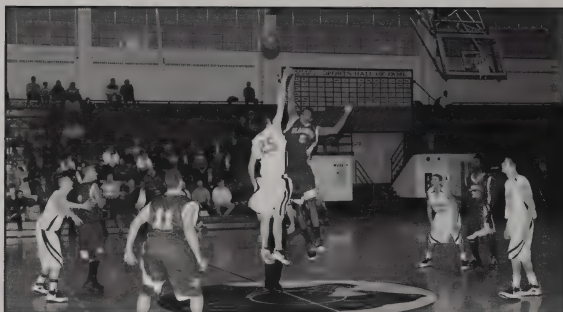

Junior Felix Zamot and Senior Nate Knudson also flourished in the offense, scoring in double digits almost every game.

Junior point guard Mike Clayton ran the offense well, hitting the open man and taking the shot when he was left open.

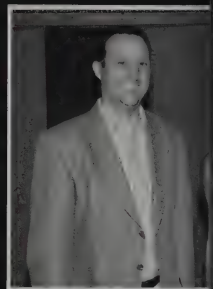

Panther center Justin Reese was a force inside on defense, blocking 4 shots and pulling down nearly 7 rebounds per game.

Juniors Justin Marrs and Chris Mooney provided a spark off the bench, with Marrs' accurate 3-point shooting and Mooney's intensity on the boards and on the defensive end.

Senior Rashad Sims' speed and Sophomore George Kallas's ability to slow down the opposing team's inside game also played important roles in the Panthers' success.

# Gymnastics

These Girls Stick It!

Despite a misleading record of 3-6, the Beverly Gymnastics Team showed great improvement with each meet and many personal bests from the gymnasts. Senior Captains Liana Eramo, Jenna Panunzio, and Thyra Rollins lead the team throughout the season. Eramo focused on all the events, Panunzio on beam and floor, and Rollins as a strong contributor on vault.

Sophomore Meg Harty was a key member of the team, putting up high scores as an all-around competitor. Junior Laura Crowell was also an asset on the vault. The team has great potential and talent in future seasons from freshmen Courtney Hannable, Taylor Metta, Liz Layman, and Alexis Hannon.

Although the team just missed making the Sectional Competition by one place, Beverly had seven girls qualify for State Individuals: **Harty, Eramo, Panunzio, Crowell, Metta, Hannable, and Hannon.**

# WRESTLING

## N.E.C CHAMPS

The Wrestling Team continued to build success as a team and individually during the 2008-2009 season. They won the NEC for the second straight year, going 4-0 in the conference. The team finished 15-14 overall and continued to improve in its third year of existence.

The team was led by five 20-match winners. Seniors Evan Johnson (140), Tom Cacciola (215), co-captain Collin Curtis (171), co-captain Ben Comeau (189) and Junior Jake Petronzio (103).

### TOM CACCIOLA 2009

"The first Division II North Sectional Championship in the programs history"

The team had six all-stars. Jake Petronzio, Justin Lehman, Evan Johnson, Kurt Stallsmith, Ben Comeau and Tom Cacciola. At the league championships, Tom Cacciola (1st), Justin Lehman (2nd) and Jake Petronzio (3rd) all were place winners.

The team had its most successful postseason to date with place winners in six weight classes.

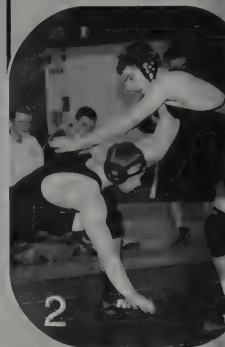

Tom Cacciola won the first Division II North Sectional Championship in the programs history.

Other Sectional place winners were Comeau (3rd), Curtis (4th), Petronzio (4th), Stallsmith (6th) and Joe Wioncek (6th).

Cacciola, Comeau, Curtis and Petronzio all advanced to the Division II State Tournament where Cacciola placed 2nd.

# BOYS INDOOR TRACK

The Boys Indoor Track Team ran an almost perfect season, with a record of 6-1, losing only to Peabody on January 12th. Key victories included edging out Swampscott in the season opener, 47-39, and beating Salem 50-36 in their final meet. The seniors and captains led the team to greater victory and will be leaving the team with a strong group of underclassmen.

At the NEC Meet, notable finishes came from George Louis, first in the 100 meter, and Steve Rouse, third in the 1000 meter. Steve Rouse, Ty Levy, Ryan Flannery, Dan Mohdal and George Louis continued on to compete at Class B's. # Volleyball Tournament

## *Sponsored by the Junior Class*

This year's Volleyball Tournament, hosted by our Junior Class, was a huge success. At least 20 teams went down to the fieldhouse to take part in this fun event, but, in the end, only one team was deemed the winner. Sick Wit It, a team composed of juniors Austin Butler, Ethan Trowt, Chris Mooney, and Will French, was the last team standing and were named the 2009 BHS Volleyball Tournament Champions.

A wide variety of students took part in this double-elimination tournament. Some teams were made up of all seniors, juniors, sophomores, or freshman; some were a complete mix. This year girls were well represented, also.

In the championship game, Sick Wit It faced off against The Dutches, a team made up of Nate Knudson '09, Ryan Nolan '09, Mike Clayton '10, and George Louis '11. They played one game to 11 points, and Sick Wit It won 11-7 to take home the championship.

**Team Sick Wit It** Ethan Trowt '10, Will French '10, Chris Mooney '10, and Austin Butler '10 won this year's volleyball tournament.

**Team Oh Sit** Adam Capodilupo '11, Brian Alexander '11, Steve Wilbur '11, and Tony Walsh '11

# BHS Students

**It doesn't matter** who you are or what you like, at Beverly High School there is probably a club to meet your interest. From *The Ledger* to M.O.B., you never know who you will meet by arriving early in the morning or maybe staying a little later in the afternoon.

As far as the teaching staff, they are involved, too, from being leaders of the clubs to supporting the Panthers Den.

Class officers are busy with fund raisers to keep their classes in good shape financially. In years past school dances have been a huge money maker for classes. Since dances have been discontinued, this year candy grams for the holidays, a pizza fest, and magic shows are among the new ways to raise money.

Student awareness programs, such as S.A.D.D. and Rachel's Challenge, also visited Beverly High, to reinforce the message to students about the damage drinking and driving, as well as school shootings, can do.

Clubs and organizations at BHS show that students do not have to be athletic to fit in.

A stop into the Beverly Y.M.C.A. will see students and staff members outside of their working environment, as well as doing their part to stay healthy.

Speaking other languages within the school serves as opportunity to travel abroad with classmates.

## GET INVOLVED!

**1.** Free t-shirts, greasy turkeys, sports wrap ups, skits and dance routines were all at the fall pep rally. The pep rally was put together this year by peer leadership.

**2.** BHS offers band and chorus, students also have bands. And The Sea Was Ours play at Never Say Never Inc on Cabot Street in Beverly.

**3.** In this picture Mr. Guy traveled to Germany with some students. Exchange programs take place in other language studies at Beverly high as well.

# Fundraisers

Freshman, Sophomores, Juniors and Seniors all had to get their act together this year in raising funds for their class due to the cut in school dances. Below are students showing their support.

**4. BHS** students volunteer around the community including at Beverly Hospital, through the summer and during the school year.

**5. On** Friday, December 5th BHS's National Honor Society held a blood drive for students in the upper gym.

**6. Students** voted in a mock election on October 29th & 30th. The event was run by Student Council. Barack Obama was elected by BHS.

## Pizza Fest

The Class of '10 held pizza fest in the cafeteria at Beverly High School with selections from all around Beverly. Little Italy took first place!

## Magician

On Wednesday, November 19th the Class of 2009 invited former BHS graduate Jeff Kaylor to put on his magic show. Earlier, he did amateur tricks during lunch.

## Hot Chocolate

The Freshman Class of '12 hosted hot chocolate week in January during all three lunches. Topped with whipped cream and marshmallows!

## Candy Grams

The Class of '09 sold Candy Grams for Halloween and Christmas this year. They were a dollar each and were sold during lunch and delivered by Seniors dressed up in costumes!

# MODEL UN

Model United Nations is a club for students who are interested in world issues. It is headed by Ms. Brotherton and Mrs. Ronan. Members participated in several weekend conferences, located at St. John's Prep, Brown University, and Boston University, where they assumed the role of delegates from the many member nations of the United Nations. Delegates worked hard on writing resolutions for some of the most important issues in the world today, taking on views of the country they were representing.

Middle: Alicia Toomey, Haley Houseman, Arielle Wright, Christina Norris, Lauren Lacy

Front: Jacqui Belliveau, Haley Bowen, Maria Marciano

At BUSUN (Brown University Simulation of the United Nations), Senior **Haley Houseman** and Junior **Tamsin Doherty** were both awarded Commendations, granted to a select few participants in each committee for their superior performances. Junior **Haidista Cotzany** and Senior **Haley Bowen** both received Honorable Mention awards for their outstanding performances during the BosMUN (Boston University Model United Nations) Conference.

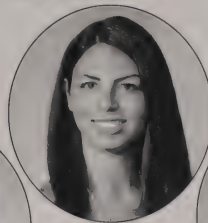

# STUDENT COUNCIL

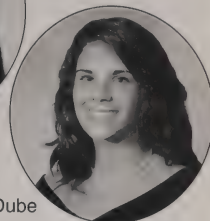

Jacqueline Belliveau  
President

Arielle Wright  
Secretary

Margot Gahan  
Vice President

Christina Dube  
Treasurer

The Student Council is going through a transition year under the new direction of Ms. Brotherton and Mrs. Ronan after the retirement of Mr. Kelleher who ran the program for many years. Student government is run by president Jacqueline Belliveau and vice president Margot Gahan. The secretary is Arielle Wright and treasurer Christina Dube.

Each class contributes five members to the council. The program has written new bi-laws under which the Student Council must operate. One major change they have made is by instilling a recall into the bi-laws which states that during any class election, there can be a recall election.

The Student Council organized and carried out the mock presidential election in November. The program has also changed its name from Student Senate to Student Council. The club meets every Monday after school in Ms. Brotherton's room.

## SITE COUNCIL

The Site Council is a group of teachers, interested community members, and students that works with the principal to develop school improvement programs and school budgets.

### BHS Site Council

# YEARBOOK

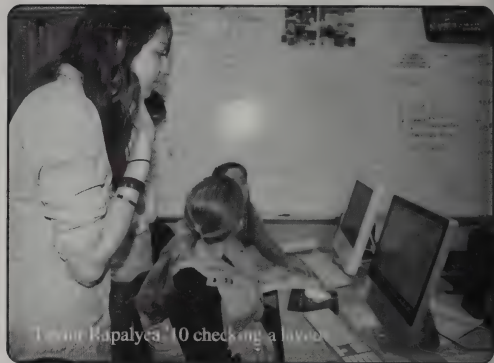

## Beverlega

The yearbook staff always has something to do! Beginning in September, the yearbook staff put the finishing touches on the supplement for the *Beverlega 2008*. They worked diligently until mid-March to complete *Beverlega 2009*. From March through the next fall, they layout the supplement for *Beverlega 2009*.

Using photographs taken by Gainsboro Studios, as well as many student photographers, the staff prepared the yearbook completely electronically at Josten's yearbookavenue.com. Josten's representative and Beverly native, Mr. Tom Keeley, provides invaluable support.

Because the yearbook is prepared completely online, the staff is dependent upon the small computer lab they have been putting together through the generosity of the PTSO and graduating classes. This year they were also able to purchase another digital camera with funds generated by creating the Beverly Panther Football program.

Students in Mrs. McCafferty's Journalism Class and Editor-in-Chief Margot Gahan worked together to produce the school paper, *The Ledger*. It is printed on Thursdays in *The Beverly Citizen*.

Before this year, *The Ledger* had been published once a month with the front page devoted to news, the second page devoted to opinion, the third page devoted to the arts and student life, and the back page devoted to sports. In September *The Citizen* changed the format to one page as often as possible.

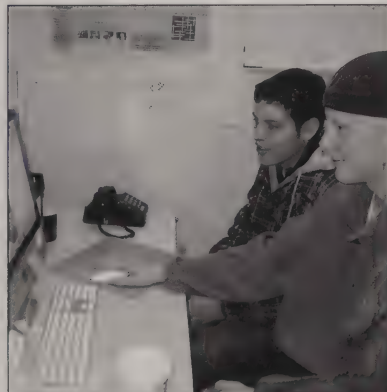

Margot enhanced the access to *The Ledger* by archiving issues at [bhsledger@wikispaces.com](mailto:bhsledger@wikispaces.com). Another computer contributed by the PTSO simplified publishing the school newspaper electronically.

# BOOK CLUB

This new club began over the summer with its first meetings in Lynch Park. Composed of both students and faculty, Book Club meets once a month to discuss novels from all genres.

Started by Mrs. Cohen and Stephanie Hirschfeld, they have read books such as *Jade Green*, *Z for Zachariah* and *Water for Elephants*.

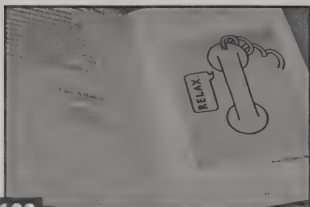

## Aegis

*the literary journal*

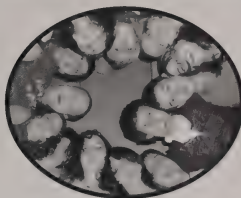

*Aegis*, Beverly High's literary journal made by and for BHS students, includes poetry, prose and artwork submitted by students. The journal is published twice annually, with a winter and spring issue.

Editors Haley Bowen and Phil Cunniff, both seniors, designed the journal's layout and made executive decisions as to what works are published in each issue.

# French Exchange

From October 23 through November 4, students from Lycée Jean d'Arc in Albertville, France, came to stay with French students from Beverly High School. During that time, they were able to experience American culture such as Halloween, American shopping, and were even lectured by local politicians on American government.

*From April 20 through the 31, American students traveled to France to stay with their exchange partners in the French Alps, then went to Paris and returned to the United States on May 2.*

Have you ever had an interest in traveling abroad, possibly to Austria or Slovakia? Well, you may want to look into the Beverly Rotary Club which is providing such an opportunity for five fortunate seniors at BHS.

Kellie Shea, Haley Bowen, Haley Houseman, Olivia Jones and Katie vonZweck conquered the lengthy application process to embark on an amazing experience in a foreign country.

Though it is unique for five students to be selected, the Rotary believed all applicants were equally outstanding and all deserved to go overseas.

The length of time each participant will be spending outside of the United States varies from five weeks to ten months. Each will be traveling to a different location around the world, with hopes of bringing back unforgettable memories, knowledge of a new culture and an overall a great experience.

# Science League

The Science League is a fun and educational club. There are science competitions once a month that the Beverly High School Science League attends.

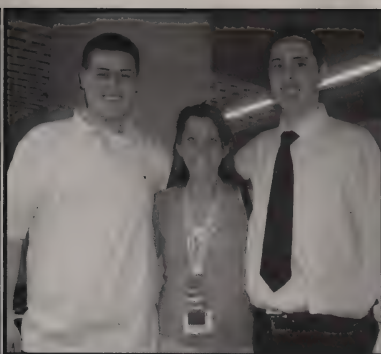

At each competition there are three events, and at least one of them involves building. There are usually three students assigned to each event.

The Science League at Beverly High is not just for honor students; it's for anyone who wants to join. Students may often receive extra credit from their science or math teachers.

The meet often consists of competition in a variety of different scientific categories, such as biology, engineering, chemistry, forensics and physics.

Science League is a great experience to learn about science and what it has to offer.

Beverly is well represented when it comes to DECA. Mrs. Kristin Marescalchi, marketing teacher and DECA advisor, was pleased with the number of students who turned out for the class and the competition. All students started working in September preparing a unique project that would get the most rewarding score from the judges. Throughout the year, all participants have taken part in a variety of fund raisers to minimize the cost of all three stages, including Districts, States, and Nationals.

Twenty-four marketing students traveled to Boston this March for the State competition. For her work in financial literacy, Allison Murray will be advancing to Nationals in Anaheim, California, from April 27th to May 2nd. Two other juniors, Liz Zarkades and Carolyn Couture, are working on a promotional campaign for a national office, while junior Jenn Gallione will be attending for representation in a leadership category.

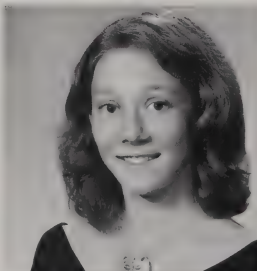

# MCJROTC

The MCJROTC program at Beverly High School is one of the best in New England. Both the Drill and Rifle Teams are highly competitive, even though this is only their second year in existence. The Drill Team is attending a regional competition in Washington, DC, this year. While there they plan to visit all the major monuments and historical sites. They are also looking forward to their excursion to the new exhibit at the Holocaust Museum.

Three seniors plan to attend military colleges in the fall. Brie Hogan, Anne-Marie Ngotho, and James Garcia made their decision to join the Marines and attend military colleges largely due to their involvement with and experiences in MCJROTC.

# PANTHER'S DEN

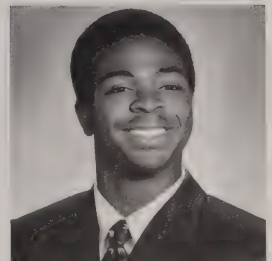

The Panther's Den is one of the Culinary classes at BHS. It focuses more on the food services side of the Culinary Arts. The class, taught by Ms. Pitman, and consists of three days of food preparation, and then on Thursday and Friday, the food is sold to staff in a restaurant setting.

Sarah Kavash

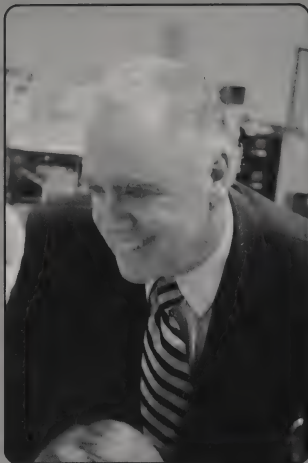

This year two seniors are planning to pursue the culinary arts after graduation. Sarah Kavash will be attending Northshore Community College for two years and then transferring to Johnson and Wales to major in Pastry Arts. Jason Bance will also be attending Northshore Community College and plans on studying the Culinary Arts.

# MEDIA PRODUCTIONS

**Mr. Robert Dunn**  
**Media Productions**

Mr. Bob Dunn, who is retiring this year after 24 years, teaches the Media Productions Class.

Even if students haven't had him as a teacher, they can pick Mr. Dunn out of a crowd by his suave suits and charismatic attitude.

Dunn's work here at BHS has been greatly appreciated and everyone will dearly miss Mr. Dunn along with his infinite knowledge of technology, media and English language arts.

This elective lets the student learn how to film, create, and edit movies and TV productions. Students use high-tech equipment made available by BevCam, the Beverly Community Access Media channel, housed in Patten Wing.

This fall the PTO graciously donated new iMac computers to replace some of the worn out computers that the class had been using for many years.

This is the control room, that the Media Production Students share with BevCam.

This is the studio where the Media Productions Students film their movies, which we also share with BevCam.

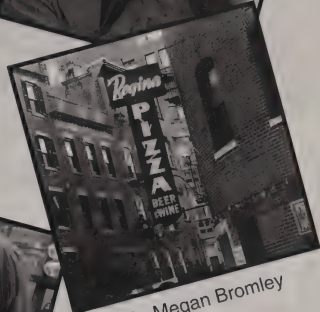

Here, Mr. Dunn is helping students use the newly donated iMac Computers.

# PHOTO CLUB

Photography Club this year took some very interesting trips with some very interesting photographers. They met primarily to take trips to Boston and view the city through the lenses of their cameras (cameras, lenses and film, oh my!). They meet the first Tuesday of almost every month in the Photo Room.

# DESIGN CLUB

The Design Club was started by Matt Eriksen and Rachael Beard who are interested in art. Both take part in art classes here in Beverly High School.

The club meets once a week. Their first major project was designing t-shirts for the Sophomore Class to sell. They took a short break at the end of the first semester and started up again at the beginning of second.

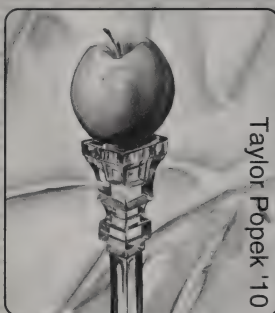

Design Club leaders are Matt Eriksen and Rachael Beard.

# NATIONAL ART HONOR SOCIETY

Membership in the society is by teacher recommendation, and participants must exhibit art scholarship, community service and character. Most of the community service is directly connected to art, such as the mural at the Senior Center and Empty Bowls Project. NAHS has received a grant from the Cultural Council to take portraits at the Senior Center to use as a reference for "Andy Warhol" paintings which will be hung at the Beverly Senior Center. An art opening will take place when completed.

## Philosophy Club

The Philosophy Club is a club that provides an intellectually stimulating environment for people to enjoy. Created by Dylan Sullivan and Dylan Zierk, the club holds group discussions every Friday after school and everyone is welcome, even if you aren't a philosopher.

# Rachel's Challenge

Rachel Scott was the first person killed at Columbine High School. Rachel's Challenge was designed to reach as many people as possible with the message of kindness and compassion.

Rachel's Challenge was started at Beverly High after an hour-long school presentation that motivated students to make a positive change in the way they treat others.

Rachel's Challenge started as a part of World of Difference and then broke into its own club. The club is advised by Mrs. Gorman, and student leaders include K.C. Kelleher and Kiera Brooks.

One of the club's different plans to spread acts of kindness is to have students sign up to help new students adjust to a BHS. The group also plans to visit the elementary and the middle schools to spread the message of Rachel's Challenge.

## Relay For Life

This year Beverly High School students participated in the "Relay for Life" at Endicott College. "Relay for Life" is an up-all-night event where people have fun with their friends while raising money to help find a cure for cancer. Led by sophomores K.C. Kelleher and Zoe Beaudoin and advised by Mrs. Angelo, BHS put together a team of 25 students and a couple of sophomore parents.

For the twelve hours between 6pm and 6am, one member of each team participating walked around the Endicott track, which was brightly lit to represent this year's theme, "Hollywood. The Beverly High team, dressed in matching sparkling shirts, raised over \$25,000 for the fight against cancer.

Participating in the "Relay for Life" was a great way for high school students wanting to fight back against cancer, especially the kids at BHS who are fighting it, too.

# Chorus

## The Big Move

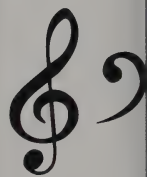

Because of construction for the new school is underway, the chorus has been moved to Patten Wing. They are now sharing space with the ROTC.

Ms. Pilanen, the dedicated chorus director, teaches chorus twice a day during A block and F block.

The Winter Concert was just as successful as ever. Both the band and chorus did a marvelous job that night. Selections included holidays songs, folk songs, and Broadway hits.

The BHS Chorus will take their annual Music Trip with the band to compete in a Festival Competition. This year the Music Department plans to go to Hershey, Pennsylvania.

# VOCAL ENSEMBLE

The best of Beverly High School's singers participate in Vocal Ensemble, an audition-only group directed by Ms. Carolyn Pilanen.

## Concertquire

Concertquire, a girls-only choir directed by Ms. Carolyn Pilanen, enjoys performing more difficult music. They perform in the MICCA Festival in the spring.

# Jazz Ensemble

During summer 2008 the BHS Jazz Ensemble performed in the world-renowned Newport Jazz Festival. On the morning of August 10th, the jazz band headed to Newport where famous musicians like Aretha Franklin, Herbie Hancock, and Sonny Rollins have performed.

"Everything went perfectly," Mr. Novack, the band director, said. "There were no bumps in the road."

Songs the jazz band played included "Grooving Hard," "Kansas City," "Pick up the Pieces," and "Jalapeno Dreams," their closing number where Mike Dettorre wrapped up their performance with an amazing drum solo.

Although they didn't meet any jazz musicians, they did meet Chevy Chase (original member of "Saturday Night Live") backstage, which was definitely a highlight for them.

## Strings

# Concert Band

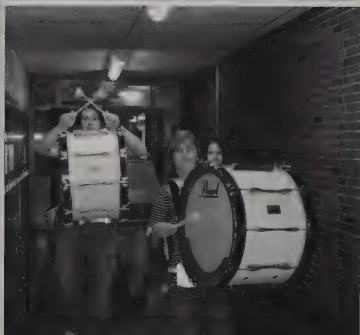

This year the band played a wide variety of challenging concert band music. From "The Little Mermaid" to "The Planets" the band worked hard to prepare for their Spring Music Trip to Pennsylvania.

and is an activity that many often overlook. This activity requires that a student can not only play the given music, but that he or she also can memorize it note by note. In addition to the musical ability of a student, there is an intense drill that must be followed. We've all seen at one point or another a musician who was either on the wrong foot or out in left field, but those who are not involved with the band do not know how difficult it really is to play the music correctly while marching to the appropriate position.

"Without music, life would be a mistake."

-Friedrich Wilhelm Nietzsche

After football season, the marching band converts into a concert band, and many musicians switch over to a different instrument of interest. During concert season, the band prepares certain selections for competitions and concerts. These pieces of music are more intricate and often times more difficult than those from marching season. The band joins the chorus, concertquaire, and vocal ensemble in April for the annual music department trip. This years trip is to Hershey, Pennsylvania, and all of the musical groups will be competing there.

## Marching Band

The Marching Band was pleased to be able to still use the lower parking lot for practices during both the summer and the school year. Many students auditioned and were accepted to Senior Districts! From Districts, they auditioned for States. Congratulations to Erin McAuliffe, who made, not only first trombone, but also first chair, and Lisa Stoneham, who also made trombone. These are outstanding accomplishments for any musician.

The band made appearances at the Haunted Happenings Halloween Parade, the Haverhill Parade, and Beverly's own Santa Parade.

Everyone got a good laugh at the games when the announcer mispronounced every single name including Mr. Novack's and Ms. Pilanen's! This is something the Senior Class will surely miss.

## A New Year, A New Room

The band room was forced to relocate in Patten Wing due to the construction of the new high school. In order to move everything to the other end of the building, the members spent classtime and weekends carrying amps, boxes filled with music charts, stands, and anything else they could carry over the river and through the woods to T14. Classes officially began being held in the new room at the start of 2009.

# LAPTOP COMPUTERS

## FACTS ABOUT THE MACS @ BHS

Someone attempted to steal the MacBooks from BHS, the laptops were later found in a school recycling bin.

### Where they're located:

The MacBooks can be found in: Upper C, Lower C, Upper B, and Lower A

Beverly High School purchased a quantity of new MacBooks this year.

The laptops come with a built-in camera, microphone, and garage band, a program which allows students to make podcasts. The MacBooks also come with internet access and multiple new programs designed for specific classes.

The laptops are divided into groups of 15 and are distributed throughout the school. They are used in science, history, math, and even English classes.

Being able to use the laptops in school this year has made the learning experience easier and more exciting.

"We use the computer in our everyday lives, so when we get to use them in school, we feel more comfortable, and we can do better work," observed Aaron Swiniuch '10.

Mr. Prodanas,  
Mrs. Lebzelter, Mrs.

# DRAMAFEST

play is what's  
making us go  
insane"

- Connor Hilfinger '10

The Dramfest cast went into this play with a full cast and crew, all excited to perform the complicated ensemble, "The Insanity Of Mary Girard."

They stuck with the complicated rehearsals that were held four or five times a week.

Flavia Kuchenny as Mrs. Lum, Michaela Gill as Fury 7, Gabe Lozada as Mr. Girard, Emma Linden as Polly, Alison Buschbaum as Mrs. Hatcher, Ben Nicolaysen as Mr. Phillips, Taylor Rapalyea as Mary Girard, Livi Burnham and Connor Hilfinger on lights, Kat Fish as student director and Elizabeth Schlein directing.

"We gave it our all because the day of competition often becomes the highlight of the year. It was worth it"

- Taylor Rapalyea '10

The cast began to buckle under the stress, and the play suffered dropouts from two leads and the student director

Even though the remaining cast wanted to perservere, they were forced to put the play on hold as their cast members got sick, to the point of their lead getting pneumonia.

# Copacabana

Music and passion were always the fashion for the BHS Music Department, as they performed "Copacabana" for their annual musical, which was staged at the Memorial Auditorium due to construction. Starring Cassie Pavolwich as Lola, Paul Fickenwirth as Tony, Zac Currier as Rico, Stefanie Harris as Conchita, Aaron Swiniuch as Sam, and Kirsten McMahon as Gladys, the show became the hottest spot north of Havanna. Lola is a showgirl from Oklahoma who dreams of making it big and falls in love at the Copacabana with Tony, the bartender.

Ms. Pilenen and Mr. Novack worked with the students for months on their singing, lines, and dance steps, and student director Emily Kerrigan kept everyone's spirits up and assisted with almost all aspects of the show. Cast, crew, and pit band all had a great time performing, even if they weren't on stage.

# KEY CLUB

The Key Club is a devoted community service organization affiliated with the Beverly Kiwanis Club and is led by Mrs. Cohen. The group meets weekly to plan, organize, and provide service and support to our schools and the community.

The Key Club projects this year included helping with the YMCA Haunted Happenings event in October, organizing the International Festival, helping Project Adventure with their Christmas tree sale, helping set up for the North Beverly Elementary School's silent auction and Dr. Seuss Breakfast, participating in the Good Friday Walk, Opening Day and Health Kids Event, sponsored by the YMCA.

# World of Difference

A group of students work together at the Youth Congress in Boston.

World of Difference is comprised of a group of dedicated students that want to make their school a better place. The students are educating their fellow peers on the importance of respect for oneself, one's peers, and the school.

There are twenty or so students involved in this club, and it is run by Mrs. Angelo and Mrs. Gorman. Earlier this year all students attended an assembly about Rachel's Challenge where they heard about the shootings at Columbine High School and the story of the first person shot, Rachel Scott. This year World of Difference is incorporating the chain reaction clubs formed by Rachel's Challenge.

Upcoming events for the club include training days for students who have yet to be trained by the Anti-Defamation League (ADL). Once all the members have been trained, they will be visiting freshmen classes. They will teach the classes about the importance of acceptance and equality, and how to make their school have a better atmosphere where everyone can feel safe.

The World of Difference program is making strides to improve Beverly High School while making all students feel as though they are accepted and that they belong.

World of Difference attended the 15th annual Youth Congress in Boston on March 11th where they met with other schools.

# BEST BUDDIES

Best Buddies is a group where students can form friendships with students with developmental disabilities. The group does different events twice a month. Some activities include seeing a Bruins game, going to the movies, going cosmic bowling and to see Blue Man Group. Many students form friendships in the form of peer buddies, friends who chat weekly.

Best Buddies meets every first Tuesday of the month in B113 to plan new activities. It is a club for those who enjoy fun and exciting activities and making great friends. Tom Brady is a Best Buddy!

## The Refuge

The Refuge is a club devised with the purpose of allowing students to meet together and enjoy Bible-centered fellowship with each other. Most meetings involve student-led discussion and games and last from 2:33 to 3:45 Monday after school. For the most part, the Refuge simply acts as a great place to hang out with friends while experiencing spiritual growth.

# National Honor Society

## FOCUS

The National Honor Society is an organization that recognizes Beverly High School juniors and seniors who show achievement in scholarship, leadership, community service, and character.

## OFFICERS AND ADVISORS

The 2008-2009 officers are President Anna Roy, Vice-President Liana Eramo, Treasurer David Huxley-Cohen, and Secretary Erin Bushey. The group is led under the guidance of Mrs. DiGenova & Mrs. Ciano, who both stepped up and took on the role of advisors when the group was in need.

## ACTIVITIES

NHS is involved in multiple community service projects throughout the school year. In October, the group participated in the Making Strides Against Breast Cancer Walk in Boston. NHS also collaborated with Red Cross and ran two blood drives. Tutoring students at BHS is another significant responsibility of the National Honor Society.

# Footbag (Hacky Sack) Club

The BHS Footbag (Hacky Sack) Club was born of a great dream: to listen to the same three or four Ben Folds songs and shred in goofy shirts and short shorts. The dream became reality and now . . . here we are.

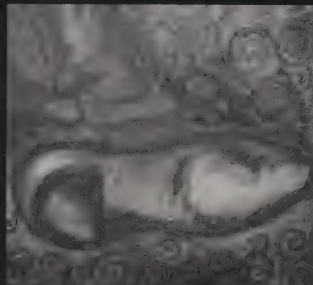

Taylor Popek '10

Tamsin Doherty '10

**T**he AP art students have been working hard since September, coming in before school as early as 7:30, to go on field trips and work on their art, three pieces of which are due at the end of each week.

Several of the seniors plan to attend art school next year and have used the portfolios they've been working so hard on in class to apply to high-end art schools, such as RISD and Mass. Art. The class is taught by Mrs. Borsetti.

### Katie VonZweck

"I think art is the greatest form of self expression, which is cheesy, but whatever. And this class is by far my favorite. Mrs. Borsetti is the best. I did a series of five pieces on Cowboy Boots!"

### Mike Brainard

"I most commonly use pencils, inks, or markers as a medium for my work. That's about it I guess..."

### Mary Faria

"I am part of Advanced Placement Studio Art. I have taken many other art courses at Beverly High School including Photography. I really enjoy drawing portraits."

### Jessica Robinson

"I have been taking art classes at BHS over my four years here. I love drawing and taking AP Studio Art this year was a great way to improve my painting, as well as learn more about the elements of art and design."

### Alex Derderian

"My plans for next year are to go to a university and possibly major in Art History."

### Katie Carlotto

"Ever since I could pick up a pencil, I've wanted to express myself through art. Next year I will pursue that need by attending a college where I can major in art. What I hopefully leave behind at BHS is a spark of inspiration for the aspiring artists. Do what inspires you."

# AP art

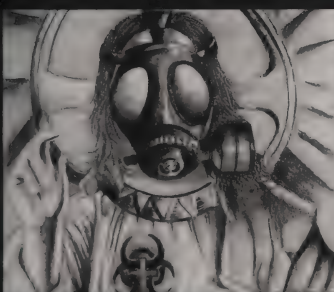

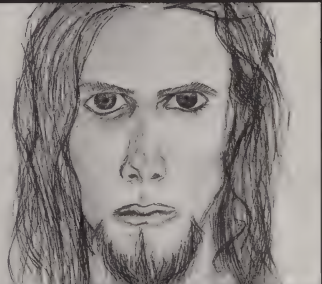

## Nick Carmer

"I enjoy working with pens and ink, but lately I've been using a lot of paints. I'm applying for the Art Program at Gordon College later this week, and hope to be involved with art through my life."

## Anna Roy

"My favorite aspects of art are simply beauty, imagination, and color. I plan to travel extensively and study international relations, focusing on African or Middle Eastern studies."

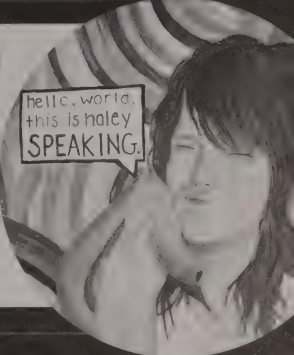

## Hailey Houseman

"Next year, I will be spending a year in India for the Rotary Exchange Program, and plan to continue my international education through travel and studying foreign relations. Art has been a passion of mine my whole life; I always feel my fingers itching for a pencil and paper."

## Niklas Kalliver

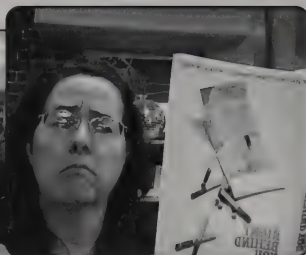

"After graduation, I will spend the next four years at an art college, where I hope to pursue cinematography. I am inspired by surrealism and horror imagery."

# Library Aides

## Library Aides Rule!

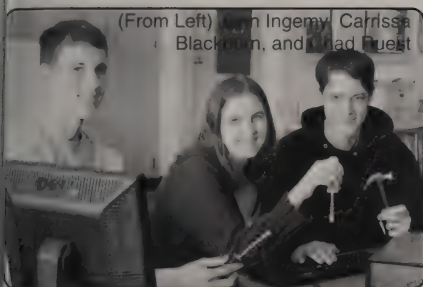

## Who do you go to for info on books?

Library aides are exactly what they say they are. They are students who spend one or more blocks in the library helping Mrs. Fecteau and other students and faculty find, use and understand the library's facilities.

Students range from seniors all the way to freshman and have to know a variety of different things to work in the library from computer skills to the cataloging system.

Please know how much you mean to me,  
as you grow into the woman you will be.  
It seems like just yesterday you were growing inside of me.  
The years have gone by so fast; it seems like such a whirl.  
With misty eyes, I ask myself, "Where is my little girl?"  
I love your beautiful face, your spirit, and your caring heart.  
Even though you will leave home, I know within us we will never part.

~

The bond that God has created between you and me  
Is a mother-daughter bond that will last our lifetimes.

I know sometimes you may have thought  
that I have been harsh and unfair,

but one day you will see, I tried to teach you well  
because I love you and I care.

With the strength and guidance from up above and  
the blessings that he sends,

I want to be the best mom I can be to you, and also be your friend.  
Please know how much you mean to me, as you grow into the  
woman you will be.

And always know deep in your heart you are the most precious gift  
God gave to me.

# MARGOT LEIGH GAHAN

Dearest Margot,

Your high school graduation fills us with much love and pride! We always knew  
that you could do whatever you really tried! We know it's a long and challenging  
journey to get such a degree, but knowing you, you wouldn't quit. You did it,  
and we are beaming most proudly and affectionately! Your achievement,  
Margot, is most awesome. You have worked so hard and have passed the most  
challenging of tests, but we want you to know, we love you so very much and  
think that you are, drifinitely are, the very best!!! All of our love, Mom, Dad,

Dearest Mark,

In what seems like the blink of an eye, you've gone from being the little boy who played with his Thomas Trains for hours to the young man you are now... a strong, interesting, talented, creative, funny, hardworking, compassionate and loving son and brother who we are all so very proud of each and every day!

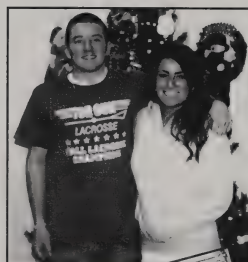

We love you,

Dad, Mom, Sean, Amber and Sandy xoxoxo

Gina,

We're so proud of what you've become and how you've grown! Family is so important in life but the friends you have made along the way have become family also. We wish you the best of luck next year at Endicott College. Go Gulls!

We love you,

Mom, Dad and Nick
